

ANNOUNCING THE OFFICIAL LAUNCH OF THE

2021 ALAMEDA COUNTY EARLY CARE AND EDUCATION NEEDS ASSESSMENT

The Alameda County Early Care and Education Local Planning Council and First 5 Alameda County present the comprehensive ECE Needs Assessment, developed in partnership with community organizations across the county. The report is an essential tool for early care and education planners and the field in understanding the state of our ECE system, including the county's demographic information and child care supply, demand, and costs as well as family and child care provider needs.
