

First 5 Alameda County recognizes that Alameda County has a wealth of ethnic, cultural, linguistic, economic, and geographic diversity. We hope to honor and celebrate this diversity in our program design, outreach, service delivery, hiring, training, contracting, and grant making.

To help us better meet our commitment to diversity and serve the children and families in Alameda County, we are asking you to complete the following questions. Thank you for your help.

**This information is being collected for statistical purposes only. Categories are consistent with the 2010 U.S. Census.**
